Welcome Module (getting ya settled into your new journey)

- Watch the Welcome (What To Expect) Video and take the fun quiz that follows!
- Keep moving down through each video module.
- You'll see a [road map](#) in there; print that off. This is your guide based on where you are starting. If you are just beginning, building your brand, or ready to scale. You choose your path! Let's get you success faster!
- Keep watching the modules and take those quizzes at the end. It helps us to see how you are progressing. Remember you have access to the Biz BFF's if you get stuck. Shoot us a text, 208-437-7484. You don't have to do this alone! We are here right with you! You have access to this feature for 6 weeks! After the 6 weeks, you'll still have FB group access for an entire year too!

Start diving into the modules that follow the road map you are going to take!

- Some of the modules have quizzes along the way. Don't pass them up. They are the fun kind.
